Post by "Pressedienst" of Jul 8th 2020, 10:11 pm

- 36 deliveries in June 2020, versus 24 in May
- 196 deliveries and 298 net orders in H1 2020

Toulouse, 8 July 2020 - Airbus (stock exchange symbol: AIR) delivered 36 commercial aircraft in June 2020, representing a slight increase compared to 24 in May and 14 in April and bringing the total for the first half of the year to 196 deliveries.

In H1 2020, Airbus booked a total of 298 net commercial aircraft orders. This compares to 389 aircraft in H1 2019. The decrease reflects the COVID-19 crisis. By aircraft type, a total of 11 A220s, 157 A320 Family, 5 A330s and 23 A350s were delivered in the first half of 2020.
